Concert of Excellence

What a fabulous effort by all our wonderful performers to bring together such an outstanding show. I was truly impressed with the focused and high level performances displayed by all groups. Our dancers fired up the show with colour and energy and demonstrated an outstanding level of skill. Our musicians played skilfully across various styles of music tackling each with groove and accent that highlighted understanding and knowledge as well as competence. Our drama, public speaking and movie maker demonstrated that given an opportunity anyone can achieve true excellence in performance. Finally, our singers whether in a year group or auditioned choir all performed to an outstanding level and demonstrated that cooperation and hard work can produce a great result.

I would like to acknowledge the tremendous effort put in by all staff - teaching, administrative and support staff - who worked so very hard on the night to ensure that the program ran smoothly and that the children had a memorable experience in a state of the art modern theatre. We are truly blessed to have such a fantastic theatre in our community that our students can utilise to experience performance, as well as enjoying outstanding professional performances of all types. Our performances were made far more professional by the fabulous tech staff from the Glasshouse who provided us with the highest quality presentation through stage management, sound and lighting.

To the teaching staff who have spent countless hours with students planning, rehearsing and refining performance I hold the highest regard. Your dedication to the performing arts continues to provide

our students with opportunities that they will remember for the rest of their lives. You continue to nurture and inspire your students to achieve a standard that builds confidence and self esteem and will provide them with skills and understandings to assist them in so many aspects of their lives.

**CONGRATULATIONS ALL ON A
FABULOUS EFFORT!**

ICAS Mathematics Competition

This is the final competition for 2009 and again our students have performed to a very creditable level. 111 students from years 3-6 participated in this competition with 39 credit awards and 11 distinction awards being received. Distinction Certificates were presented to:

Year3
Diego, Daniel, Griffin, Tom.

Year 4
Niamh, Clare, Jacob.

Year 5
Blake, Rhys.

Year6
Cameron, Lee.

Congratulation to all students who participated in this competition. ICAS competitions in Computer Skills, Science, Spelling, Writing, English and Mathematics will again be available for students to enter in 2010.
